

Cruise Control – Fast Facts

- Host: hosts Les Jackson and Fred Staab
- America's truly unique automotive talk radio show.
- Cruise Control is a two-hour magazine program
- perfect weekend programming for any radio station.
- Cruise Control Radio is about everything from Hybrids to Hemi's
- Topics including new vehicle product information, automotive industry news, performance equipment, reviews of vehicles driven by the show's on-air team, motor sports updates, collector car information and more
- Lively discussions of automotive news of the week.
- Plenty of industry executives, designers and chief engineers stop by the show to chat about everything automotive and new models that have not even reached showroom floors.
- From hot rod builder Chip Foose to ZZ Top front man Billy F Gibbons and even car guy and astronaut Bill McArthur Jr. live from the International Space Station orbiting earth at 17,000 miles per hour Cruise Control always has great guests
